

As we draw closer to our annual meeting on Sunday November 12, 2017, we seek volunteer representation on our Board of Directors. Our directors are responsible for setting policies, participating in the development of the strategic plan, reviewing and approving the annual budget, and other duties and issues as they arise. The Board of Directors is expected to explore new ways to strengthen and advance our club and the running movement as a whole.

Expectations:

Attend monthly meetings, typically the first Monday (except holidays) of every month at 6:30 p.m. These meetings usually last 2 to 2-1/2 hours.

Monitor the financial performance of the club through the stewardship of the club's Treasurer and/or Accountant via monthly reporting.

Ask appropriate, substantive questions and engage in strategic discussions to enhance the future of the club.

Be a goodwill ambassador of the club and the sport of running in the local community.

Serve as a volunteer in club races and events throughout the year and actively seek to expand the club's outreach in the community through discussions and dialogue with others.

Maintain confidentiality of discussions in meetings and all matters pertaining to the club that is not public knowledge.

Collectively, maintain decorum and intended purposefulness of meetings or club activities
