

**Program Guidelines:**

- 1 **Type of proposals:** Proposals must be for the support of track & field or cross country at a middle or high school in Washtenaw County.  
*(Milan and Whitmore Lake schools are included.)*  
**Such support could include:**
  - new equipment or maintenance for existing equipment or track surface.
  - athlete support (such as: shoes, warm-ups, travel costs, meet entry fees, summer running camp costs, etc.)
  - Other things can be considered if they support Track & Field or Cross Country.
- 2 **Amount of awards:** Grants of \$2,000 will be awarded. (Up to 2 awards per year are planned.)
- 3 **Application timing:** Applications will generally be accepted from February 1 - April 30.  
*(This window may be shortened or extended depending on the number of applicants any given year.)*
- 4 **Awards decisions:** A committee of AATC members will review all applications and make recommendations to the AATC Board.
- 5 **Decision guidance:** We will select proposals that we believe further our goal of providing maximum positive impact to the running community.
- 6 **Successful awards:** Grant awards may be publicized online and in other news media.
- 7 **Year-off policy:** *Schools receiving a grant must wait a year before applying again.*

***Thank you for supporting youth sports and for your interest in the Ann Arbor Track Club's Ron Beasley Track & Field Grant Program.***
